

FRESNO STATE

STUDENT CUPBOARD

Dear First Name,

March 26, 2020

We are a bold community of alumni and friends who take care of each other.

Reassuring students that their basic needs will be met during this challenging time is a high priority for Fresno State. As our students transition to virtual instruction, many are facing hardships they never anticipated.

One of the primary sources of help that we know we can provide is access to food and hygiene items. During the last academic year alone 6,053 students visited the Fresno State Student Cupboard, and with the crisis at-hand, the daily demand remains steady.

Fresno State is committed to keeping the Student Cupboard open.

Your support takes on greater significance this year than ever before. Your donation today will help provide timely relief so that students can stay focused on their academic achievements.

Take a moment to be bold in your response to this request. **Every donation will be matched \$1 for \$1** up to \$150,000, thanks to generous community partners Moss Adams LLP, Granville Homes, Valley Wide Beverage and an anonymous donor.

This is an opportunity for our greater Bulldog community to rally together in support of the next generation of leaders. **Together, we can double the impact on student success!**

Sincerely,

Joseph I. Castro, Ph.D., M.P.P.
President

Mary G. Castro
