To the class of 2020 🎓

We are upset that we were not able to celebrate your upcoming graduation at Grad Fest as we had planned. It's one of our favorite events and one of the first times we get to meet the newest members of our [Fresno State Alumni family](#).

🌸  
We may not get to celebrate with you now, but that doesn't make us any less proud of your achievements or any less excited to have you all as a [#BulldogForLife](#). Please tag us in your graduation photos (whatever that means... [See More](#))
